

Your business faces legal challenges every day!

How many of these areas of challenge do **YOU** manage today?

HR & Employment Matters: Handling hiring, firing, and managing employees while staying compliant with employment laws.

Cash Flow Management and AR Recovery: Managing incoming and outgoing finances, including accounts receivable recovery to ensure a healthy cash flow.

Customer, Vendor, and Supplier Disputes: Resolving conflicts with customers, vendors, or suppliers to maintain positive relationships and business operations.

Protecting Assets from Business Risk: Implementing strategies to shield assets from business liabilities and risks.

Business Plan Strategies & Succession Planning: Developing long-term business plans and strategies, as well as planning for the future of the business through succession planning.

Contract and Document Review:

Reviewing contracts and legal documents for clarity and to mitigate risks.

Property & Equipment Leasing: Deciding on leasing arrangements for business premises and equipment to optimize resources.

Tax Codes & Tax Audits: Staying informed about tax regulations and navigating tax audits to avoid penalties and maintain compliance.

Consumer Law: Understanding consumer protection laws and addressing any legal threats or disputes that may arise.

Policy & Procedure Review to Address Ever-Changing Regulations & Legislation:

Regularly reviewing and updating policies and procedures to align evolving regulations and legislation to ensure compliance and mitigate risks.

How your small business can **benefit** from LegalShield.

Make educated decisions instead of “stressing and guessing”: Without access to affordable legal advice, business people often “stress and guess” and make uninformed decisions that can lead to bad legal outcomes.

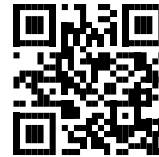

Affordable monthly rates vs. high hourly rates: As LegalShield’s monthly membership rates are so affordable, you no longer have to choose between trying to fix complex legal problems on your own or hiring an expensive lawyer.

Be proactive, don’t play defense: You have access to legal help from experienced lawyers whenever you need it.

Here are services offered by LegalShield’s Small Business Plans:

-  Legal advice and consultation on unlimited business matters
-  Business letters and phone calls made on your behalf
-  Contract and business related document review
-  Debt collection assistance

And more!

watch a short video.**

**With a LegalShield business plan, you get access to affordable
business lawyers who can help you with your business legal
needs while you focus on building your business.**

Call now for details!

This is a general overview of the Small Business Legal Plans available from LegalShield for illustration purposes. LegalShield provides access to legal services offered by a network of provider law firms to LegalShield members through membership-based participation. Neither LegalShield nor its officers, employees or sales associates directly or indirectly provide legal services, representation, or advice. Small Business Legal Plans and certain benefits are not available in all states or provinces. See a Small Business Legal Plan contract for a specific state for complete terms, coverage, amounts and conditions. Custom contract drafting services don't include mergers and acquisitions, initial public offerings, or private placements, administrative or regulatory matters or franchise agreements and legal matters covered under Designated Consultations, pleadings or any documents related to administrative proceedings or lawsuits. Negotiations and redrafts are available under the 25% discount from the Provider Lawyer's hourly rate.
